MEMBERSHIP AND ACCOUNT AGREEMENT

This Agreement covers your rights and responsibilities concerning your accounts and the rights and responsibilities of the Credit Union providing this Agreement (Credit Union). In this Agreement, the words "you," "your," and "yours" mean anyone who signs an Account Card, Account Change Card, or any other account opening document (Account Card), or for whom membership and/or service requests are approved through the Credit Union's online application and authentication process. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one or more share or deposit accounts you have with the Credit Union.

Your account type(s) and ownership features are designated by you on your Account Card or through the Credit Union's online application and authentication process. By signing an Account Card or authenticating your request, each of you, jointly and severally, agree to the terms and conditions in this Agreement, and any Account Card, Funds Availability Policy Disclosure, Truth-in-Savings Disclosure, Electronic Fund Transfers Agreement and Disclosure, Privacy Disclosure, or Account Receipt accompanying this Agreement, the Credit Union Bylaws or Code of Regulations (Bylaws), Credit Union policies, and any amendments made to these documents from time to time that collectively govern your membership, accounts and services.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT - To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, if applicable, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

1. MEMBERSHIP ELIGIBILITY - To join the Credit Union, you must meet the membership requirements, including purchase and maintenance of the minimum required share(s) (hereinafter membership share) and/or paying a membership fee as set forth in the Credit Union's bylaws. You authorize us to check your account, credit and employment history, and obtain reports from third parties, including credit reporting agencies, to verify your eligibility for the accounts, products and services you request and for other accounts, products, or services we may offer you or for which you may qualify.

2. INDIVIDUAL ACCOUNTS - An individual account is an account owned by one member who has qualified for credit union membership. If the account owner dies, the interest passes, subject to applicable law, to the account owner's estate or Payable on Death (POD) beneficiary/payee or trust beneficiary, subject to other provisions of this Agreement governing our protection for honoring transfer and withdrawal requests of an owner or owner's agent prior to notice of an owner's death, any security interest or pledge granted by the account owner, and our statutory lien rights.

3. JOINT ACCOUNTS - A joint account is an account owned by two or more persons.

a. Rights of Survivorship. Unless otherwise stated on the Account Card or documented through the Credit Union's online application and authentication process, a joint account includes rights of survivorship. This means that when one owner dies, all sums in the account will pass to the surviving owner(s). For a joint account without rights of survivorship, the deceased owner's interest passes to his or her estate. A surviving owner's interest is subject to the Credit Union's statutory lien for the deceased owner's obligations and to any security interest or pledge granted by a deceased owner, even if a surviving owner did not consent to it.

b. Control of Joint Accounts. Any owner is authorized and deemed to act for any other owner(s) and may instruct us regarding transactions and other account matters. Each owner guarantees the signature or authenticated request of any other owner(s). Any owner may withdraw or transfer funds, pledge to us all or any part of the shares, or stop payment on items without the consent of the other owner(s). We have no duty to notify any owner(s) about any transaction. We reserve the right to require written consent of all owners for any change to or termination of an account. If we receive written notice of a dispute between owners or inconsistent instructions from them, we may suspend or terminate the account and require a court order or written consent from all owners in order to act.

c. Joint Account Owner Liability. If an item deposited in a joint account is returned unpaid, a joint account is overdrawn, or if we do not receive final payment on a transaction, the owners, jointly and severally, are liable to us for any returned item, overdraft, or unpaid amount and for any related fees and charges, regardless of who initiated or benefited from the transaction. If any account owner is indebted to us, we may enforce our rights against any account of the indebted owner, including all funds in the joint account, regardless of who contributed the funds.

4. POD/TRUST ACCOUNT DESIGNATIONS - A Payable on Death (POD) account or trust account designation is an instruction to the Credit Union that an individual or joint account so designated is payable to the owner(s) during his, her, or their lifetimes and, when the last account owner dies, is payable to all surviving POD or trust beneficiaries/payees. Unless state law provides for different ownership or as permitted and documented by us, the beneficiaries/payees will own the funds jointly in equal shares without rights of survivorship when there is more than one surviving beneficiary/payee. Any POD or trust beneficiary/payee designation shall not apply to Individual Retirement Accounts (IRAs). We are not obligated to notify any beneficiary/payee of the existence of any account nor the vesting of the beneficiary/payee's interest in any account, except as otherwise provided by law. This paragraph does not apply to an account held on behalf of or in the name of a trust.

5. ACCOUNTS FOR MINORS - We may require any account established by a minor to be a joint account with an owner who has reached the age of majority under state law and who shall be jointly and severally liable to us for any returned item, overdraft, or unpaid amount on such account and for any related fees and charges. We may pay funds directly to the minor without regard to his or her minority. Unless a guardian or parent is an account owner, the guardian or parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction except as required by applicable law. We will not change the account status when the minor reaches the age of majority unless the change is authorized in writing by all account owners.

6. UNIFORM TRANSFERS TO MINORS ACCOUNT - A Uniform Transfers to Minors Account (UTMA) is an individual account created by a custodian who deposits funds as an irrevocable gift to a minor. The minor to whom the gift is made is the beneficiary of the custodial property in the account. The custodian has possession and control of the account for the exclusive right and benefit of the minor and, barring a court order otherwise, is the only party authorized to make deposits, withdrawals, or close the account. We have no duty to inquire about the use or purpose of any transaction except as

required by applicable law. If the custodian dies, we may suspend the account until we receive instructions from any person authorized by law to withdraw funds or a court order authorizing withdrawals.

7. AGENCY DESIGNATION ON AN ACCOUNT - An agency designation on an account is an instruction to us that the owner authorizes another person to make transactions as agent for the account owner regarding the accounts designated. An agent has no ownership interest in the account(s) or credit union voting rights. We have no duty to inquire about the use or purpose of any transaction made by the agent except as required by applicable law.

8. DEPOSIT OF FUNDS REQUIREMENTS - Funds may be deposited to any account, in any manner approved by the Credit Union in accordance with the requirements set forth in the Truth-in-Savings Disclosure. Deposits made by mail, at night depositories, or at unstaffed facilities are not our responsibility until we receive them. We reserve the right to refuse or to return any deposit.

a. Endorsements. We may accept transfers, checks, drafts, and other items for deposit into any of your accounts if they are made payable to, or to the order of, one or more account owners even if they are not endorsed by all payees. You authorize us to supply missing endorsements of any owners if we choose. If a check, draft, or item that is payable to two or more persons is ambiguous as to whether it is payable to either or both, we may process the check, draft, or item as though it is payable to either person. If an insurance, government, or other check or draft requires an endorsement, we may require endorsement as set forth on the item. Endorsements must be made on the back of the check or draft within 1½ inches of the top edge, although we may accept endorsements outside this space. However, any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you or any prior endorser will be your responsibility. If we offer a remote deposit capture service and you have been approved to use the service to make deposits to your account, you agree that, prior to transmitting check or draft images, you will restrictively endorse each original check or draft in accordance with any other agreement with us that governs this service.

b. Collection of Items. We act only as your agent and we are not responsible for handling items for deposit or collection beyond the exercise of ordinary care. We are not liable for the loss of an item in transit or the negligence of any correspondent. Each correspondent will only be liable for its own negligence. We may send any item for collection. Items drawn on an institution located outside the United States are handled on a collection basis only. You waive any notice of nonpayment, dishonor, or protest regarding items we purchase or receive for credit or collection to your account. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payor financial institution extra time beyond any midnight deadline limits.

c. Restrictive Legends. Some checks and drafts contain restrictive legends or similar limitations on the front of the item. Examples of restrictive legends include "two signatures required," "void after 60 days," and "not valid over \$500.00." We are not liable for payment of any check or draft contrary to a restrictive legend or other limitation contained in or on the item unless we have specifically agreed in writing to the restriction or limitation.

d. Final Payment. All checks, drafts, automated clearinghouse (ACH) transfers or other items credited to your account are provisional until we receive final payment. If final payment is not received, we may charge your account for the amount of such items and impose a returned item fee on your account. Any collection fees we incur may be charged to your account. We reserve the right to refuse or return any item or fund transfer.

e. Direct Deposits. We may offer direct deposit services, including preauthorized deposits (e.g., payroll checks, Social Security or retirement checks, or other government checks) or preauthorized transfers from other accounts. You must authorize direct deposits or preauthorized transfers by completing a separate authorization document. You must notify us if you wish to cancel or change a direct deposit or preauthorized transfer. Any cancellation or change will become effective once we receive notice from you and have a reasonable period of time to act on your request. If your account is overdrawn, you authorize us to deduct the amount your account is overdrawn from any deposit, including deposits of government payments or benefits. If we are required to reimburse the U.S. Government for any benefit payment directly deposited into your account, we may deduct the amount returned from any of your accounts, unless prohibited by law.

f. Crediting of Deposits. Deposits will be credited to your account on the day we consider them received as stated in our Funds Availability Policy Disclosure.

9. ACCOUNT ACCESS

a. Authorized Signature. Your signature on the Account Card, or authentication and approval of your account, authorizes your account access. We will not be liable for refusing to honor any item or instruction if we believe the signature is not genuine. If you have authorized the use of a facsimile signature, we may honor any check or draft that appears to bear your facsimile signature, even if it was made by an unauthorized person. You authorize us to honor transactions initiated by a third person to whom you have given your account information, even if you do not authorize a particular transaction.

b. Access Options. You may access your account(s) in any manner we permit including, for example, in person at one of our branch offices, at an ATM or point-of-sale device, or by mail, telephone, automatic transfer, internet access or mobile application. We may return as unpaid any check or draft drawn on a form we do not provide, and you are responsible for any losses, expenses or fees we incur as a result of handling such a check or draft. We have the right to review and approve any form of power of attorney and may restrict account withdrawals or transfers. We may refuse to honor a power of attorney if our refusal is conducted in accordance with applicable state law.

c. Credit Union Examination. We may disregard any information on any check or draft other than the signature of the drawer, the amount of the item, and any magnetic encoding. You agree that we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for sight examination of items.

10. FUND TRANSFERS - Fund transfers we permit that are subject to Article 4A of the Uniform Commercial Code, such as wire transfers, will be subject to such provisions of the Uniform Commercial Code as enacted by the state where the main office of the Credit Union is located, except as otherwise provided in this Agreement. ACH transfers are subject to rules of the National Automated Clearinghouse Association (Nacha). We may execute certain requests for fund transfers by Fedwire which are subject to the Federal Reserve Board's Regulation J.

a. Authorization for Transfers/Debiting of Accounts. You may make or order fund transfers to or from your account. We will debit your account for the amount of a fund transfer from your account and will charge your account for any fees related to the transfer.

b. Right to Refuse to Make Transfers/Limitation of Liability. Unless we agree otherwise in writing, we reserve the right to refuse to execute any payment order to transfer funds to or from your account. We are not obligated to execute any payment order to transfer funds out of your account if the amount of the requested transfer plus applicable fees exceeds the available balance in your account. We are not liable for errors, delays, interruptions or transmission failures caused by third parties or circumstances beyond our control including mechanical, electronic or equipment failure. In addition, we will not be liable for consequential, special, punitive or indirect loss or damage you may incur in connection with fund transfers to or from your account.

c. No Notice Required. We will not provide you with notice when fund transfers are credited to your account. You will receive notice of such credits on your account statements. You may contact us to determine whether a payment has been received.

d. Interest Payments. If we fail to properly execute a payment order and such action results in a delay in payment to you, we will pay you dividends or interest, whichever applies to your account, for the period of delay as required by applicable law. You agree that the dividend or interest rate paid to you will be based on the lowest nominal dividend or interest rate we were paying on any account during that period.

e. Provisional Credit for ACH Transactions. We may provisionally credit your account for an ACH transfer before we receive final settlement. If we do not receive final settlement, we may reverse the provisional credit or require you to refund us the amount provisionally credited to your account, and the party originating the transfer will not be considered to have paid you.

f. Payment Order Processing and Cut-off Times. Payment orders we accept will be executed within a reasonable time of receipt. Unless we have agreed otherwise in writing, a payment order may not necessarily be executed on the date it is received or on a particular date you specify. Cut-off times may apply to the receipt, execution and processing of fund transfers, payment orders, cancellations, and amendments. Fund transfers, payment orders, cancellations, and amendments received after a cut-off time may be treated as having been received on the next fund transfer business day. Information about any cut-off times is available upon request. From time to time, we may need to temporarily suspend processing of a transaction for greater scrutiny or verification in accordance with applicable law. This action may affect settlement or availability of the transaction.

g. Identifying Information. If your payment order identifies the recipient and any financial institution by name and account or other identifying number, the Credit Union and any other financial institutions facilitating the transfer may rely strictly on the account or other identifying number, even if the number identifies a different person or financial institution.

h. Amendments and Cancellations of Payment Orders. Any account owner may amend or cancel a payment order regardless of whether that person initiated the order. We may refuse requests to amend or cancel a payment order that we believe will expose the Credit Union to liability or loss. Any request to amend or cancel a payment order that we accept will be processed within a reasonable time after it is received. You agree to hold us harmless from and indemnify us for all losses and expenses resulting from any actual or attempted amendment or cancellation of a payment order.

i. Security Procedures. We may require you to follow a security procedure to execute, amend or cancel a payment order so that we may verify the authenticity of the order, amendment or cancellation. You agree that the security procedure established by separate agreement between you and the Credit Union is commercially reasonable. If you refuse to follow a commercially reasonable security procedure that we offer, you agree to be bound by any payment order, whether authorized or not, that is issued in your name and accepted by us in good faith in accordance with the security procedure you choose.

j. Duty to Report Unauthorized or Erroneous Fund Transfers. You must exercise ordinary care to identify and report unauthorized or erroneous fund transfers on your account. You agree that you will review your account(s) and periodic statement(s). You further agree you will notify us of any unauthorized or erroneous transfers within the time frames described in the "Statements" section of this Agreement.

k. Recording Telephone Requests. You agree that we may record payment order, amendment and cancellation requests as permitted by applicable law.

l. Remittance Transfers. A "remittance transfer" is an electronic transfer of funds of more than \$15.00 which is requested by a sender and sent to a designated recipient in a foreign country by a remittance transfer provider. If we act as a remittance transfer provider and conduct a remittance transfer(s) on your behalf, the transaction(s) will be governed by 12 C.F.R. part 1005, subpart B - Requirements for remittance transfers. Terms applicable to such transactions may vary from those disclosed herein and will be disclosed to you at the time such services are requested and rendered in accordance with applicable law.

11. ACCOUNT RATES AND FEES - We pay account earnings and assess fees against your account as set forth in the Truth-in-Savings Disclosure and Schedule of Fees and Charges. We may change the Truth-in-Savings Disclosure or Schedule of Fees and Charges at any time and will notify you as required by law.

12. TRANSACTION LIMITATIONS

a. Withdrawal Restrictions. We will pay checks or drafts, permit withdrawals, and make transfers from the available balance in your account. The availability of funds in your account may be delayed as described in our Funds Availability Policy Disclosure. We may also pay checks or drafts, permit withdrawals, and make transfers when you have an insufficient available balance in your account if you have established an overdraft protection plan or, if you do not have such a plan with us, in accordance with our overdraft payment policy.

We may refuse to allow a withdrawal in some situations and will advise you accordingly if, for example: (1) there is a dispute between account owners (unless a court has ordered the Credit Union to allow the withdrawal); (2) a legal garnishment or attachment is served; (3) the account secures any obligation to us; (4) required documentation has not been presented; or (5) you fail to repay a credit union loan on time. We may require you to give written notice of 7 to 60 days before any intended withdrawals.

b. Transfer Limitations. We may limit the dollar amount or the number of transfers from your account. Please consult your Truth-in-Savings Disclosure or your Electronic Fund Transfers Agreement and Disclosure.

13. CERTIFICATE ACCOUNTS - Any term share, share certificate, time deposit or certificate of deposit account (certificate account), whichever we offer as allowed by applicable federal or state law, is subject to the terms of this Agreement, the Truth-in-Savings Disclosure, the Account Receipt for each account, and any other documents we provide for the account, the terms of which are incorporated herein by reference.

14. OVERDRAFTS

a. Payment of Overdrafts. If, on any day, the available balance in your share or deposit account is not sufficient to pay the full amount of a check, draft, transaction, or other item, plus any applicable fee, that is posted to your account, we may return the item or pay it, as described below. The Credit Union's determination of an insufficient available account balance may be made at any time between presentation and the Credit Union's midnight deadline with only one review of the account required. We do not have to notify you if your account does not have a sufficient available balance in order to pay an item. Your account may be subject to a fee for each item regardless of whether we pay or return the item. We may charge a fee each time an item is submitted or resubmitted for payment; therefore, you may be assessed more than one fee as a result of a returned item and resubmission(s) of the returned item.

If we offer standard overdraft services, this service allows us to authorize payment for the following types of transactions regardless of whether your share or deposit account has sufficient funds: (1) share drafts/checks and other transactions made using your checking account, except as otherwise described below; (2) automatic bill payments; (3) and ACH transactions. For ATM and one-time debit card transactions, you must

affirmatively consent to such coverage. Without your consent, the Credit Union may not authorize and pay an ATM or one-time debit card transaction that will result in insufficient funds in your account. If you have established a service linking your share or deposit account with other individual or joint accounts, you authorize us to transfer funds from another account of yours to cover an insufficient item, including transfers from a share or deposit account, an overdraft line-of-credit account, or other account you so designate. Services and fees for these transactions are shown in the document the Credit Union uses to capture your affirmative consent and the Schedule of Fees and Charges.

Except as otherwise agreed in writing, if we exercise our right to use our discretion to pay such items that result in an insufficiency of funds in your account, we do not agree to pay them in the future and may discontinue coverage at any time without notice. If we pay these items or impose a fee that results in insufficient funds in your account, you agree to pay the insufficient amount, including the fee assessed by us, in accordance with our standard overdraft services or any other service you may have authorized with us or, if you do not have such protections with us, in accordance with any overdraft payment policy we have, as applicable.

b. How Transactions are Posted to Your Account. Basically, there are two types of transactions that affect your account: credits (deposits of money into your account) and debits (payments out of your account). It is important to understand how each is applied to your account so that you know how much money you have and how much is available to you at any given time. This section explains generally how and when we post transactions to your account.

Credits. Deposits are generally added to your account when we receive them. However, in some cases when you deposit a check, the full amount of the deposit may not be available to you at the time of deposit. Please refer to the Funds Availability Policy Disclosure for details regarding the timing and availability of funds from deposits.

Debits. There are several types of debit transactions. Common debit transactions are generally described below. Keep in mind that there are many ways transactions are presented for payment by merchants, and we are not necessarily in control of when transactions are received.

- **Checks.** When you write a check, it is processed through the Federal Reserve system. We receive data files of cashed checks from the Federal Reserve each day. The checks drawn on your account are compiled from these data files and paid each day. We process the payments from low to high dollar value.
- **ACH Payments.** We receive data files every day from the Federal Reserve with Automated Clearing House (ACH) transactions. These include, for example, automatic bill payments you have authorized. ACH transactions for your account are posted throughout the day in order of receipt.
- **PIN-Based Debit Card Purchase Transactions.** These are purchase transactions using your debit card for which a merchant may require you to enter your personal identification number (PIN) at the time of sale. They are processed through a PIN debit network. These transactions are similar to ATM withdrawal transactions because the money is usually deducted from your account immediately at the time of the transaction. However, depending on the merchant, a PIN-based transaction may not be immediately presented for payment.
- **Signature-Based Debit Card Purchase Transactions.** These are purchase transactions using your debit card that are processed through a signature-based network. Rather than entering a PIN, you typically sign for the purchase; however, merchants may not require your signature for certain transactions. Merchants may seek authorization for these types of transactions. The authorization request places a hold on funds in your account when the authorization is completed. This is referred to as an "authorization hold." An authorization hold will reduce your available balance by the amount authorized but will not affect your actual balance. The transaction is subsequently processed by the merchant and submitted to us for payment. This can happen hours or sometimes days after the transaction, depending on the merchant and its payment processor. These payment requests are received in real time throughout the day and are posted to your account when they are received.

The amount of an authorization hold may differ from the actual payment because the final transaction amount may not yet be known to the merchant when you present your card for payment. For example, if you use your debit card at a restaurant, a hold will be placed in an amount equal to the bill presented to you; but when the transaction posts, it will include any tip that you may have added to the bill. This may also be the case where you present your debit card for payment at gas stations, hotels and certain other retail establishments. We cannot control how much a merchant asks us to authorize, or when a merchant submits a transaction for payment.

For debit card transactions involving merchant authorization holds, there may be a delay between the hold being applied and the transaction posting to your account. During the delay, intervening transactions may impact the available balance in your account. It is important to keep in mind that we check your available balance both at the time the merchant's authorization request is received and again when the transaction settles and posts to your account. If your available balance is insufficient to cover the amount of the merchant's authorization request, we will decline the request. If your available balance is sufficient to cover the merchant's authorization request, the request will be approved, and an authorization hold in the amount of the request will be placed on your account. The transaction will be subsequently processed by the merchant and submitted to us for payment. If the transaction settles and posts to your account at a time when the available balance is insufficient to pay the transaction without causing an overdraft (i.e., posting the transaction results in an available balance of less than \$0), we will charge you a fee for overdrawing your account, even though the available balance in your account was sufficient to cover the transaction at the time it was authorized.

The following example illustrates how this works:

Assume your actual and available balances are both \$40, and you use your debit card at a restaurant to pay your bill totaling \$30. If the restaurant requests authorization in the amount of \$30, an authorization hold is placed on \$30 in your account. Your available balance is only \$10, but the actual balance remains \$40. Before the restaurant charge is sent to us for payment, a check that you wrote for \$40 is presented for payment. Because your available balance is only \$10 due to the \$30 authorization hold, your account will be overdrawn by \$30 when the check transaction is posted to your account even though your actual balance is \$40. In this example, if we pay the \$40 check in accordance with our standard overdraft services, we will charge you a fee for overdrawing your account as disclosed in the Schedule of Fees and Charges. The fee will also be deducted from your account, further increasing the overdrawn amount. In addition, when the restaurant charge is finally submitted to us for payment, we will release the authorization hold and pay the transaction amount to the restaurant. The transaction amount may be \$30 or a different amount (for example, if you added a tip). Because the amount of the restaurant charge exceeds your available balance at the time the charge is settled (i.e., at the time the merchant or its financial institution requests payment or the transaction posts to your account), we will charge you another fee for overdrawing your account, even though you had a sufficient available balance in your account at the time the restaurant charge was authorized and approved.

This is a general description of certain types of transactions. These practices may change, and we reserve the right to pay items in any order we choose as permitted by law.

c. Understanding Your Account Balance. Your share draft account has two kinds of balances: the actual balance and the available balance. Your actual balance reflects the full amount of all deposits to your account as well as payment transactions that have been posted to your account. It does not reflect checks you have written and are still outstanding or transactions that have been authorized but are still pending. Your available balance is the amount of money in your account that is available for you to use. Your available balance is your actual balance less: (1) holds placed on deposits; (2) holds on debit card or other transactions that have been authorized but are not yet posted; and (3) any other holds, such as holds related to pledges of account funds and minimum balance requirements or to comply with court orders. We use your available balance to determine whether there are sufficient funds in your account to pay items, including checks and drafts, as well as ACH, debit card and other electronic transactions. Pending transactions and holds placed on your account may reduce your available balance and may cause your account to become overdrawn regardless of your actual balance. In such cases, subsequent posting of the pending transactions may further overdraw your account and be subject to additional fees. You should assume that any item which would overdraw your account based on your available balance may create an overdraft. You may check your available balance online at www.pennstatefederal.com, at an ATM, by visiting a credit union branch or by calling us at 800-828-4636.

15. POSTDATED AND STALEDATED CHECKS OR DRAFTS - You agree not to issue any check or draft that is payable on a future date (postdated). If you do draw or issue a check or draft that is postdated and we pay it before that date, you agree that we shall have no liability to you for such payment. You agree not to deposit checks, drafts, or other items before they are properly payable. We are not obligated to pay any check or draft drawn on your account that is presented more than six months past its date; however, if the check or draft is paid against your account, we will have no liability for such payment.

16. STOP PAYMENT ORDERS

a. Stop Payment Order Request. Any owner may request a stop payment order on any check or draft drawn on the owner's account. To be binding, the order must accurately describe the check or draft, including the exact account number, check or draft number, and amount of the check or draft. This exact information is necessary for the Credit Union to identify the check or draft. If we receive incorrect or incomplete information, we will not be responsible for failing to stop payment on the check or draft. In addition, we must receive sufficient advance notice of the stop payment order to allow us a reasonable opportunity to act on it. If we recredit your account after paying a check or draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to assign to us all of your rights against the payee or other holders of the check or draft, and to assist us in any legal action.

Stop payment orders for preauthorized debit transactions from your account are governed by Regulation E. Please refer to the Electronic Fund Transfers Agreement and Disclosure for rules regarding stop payments on preauthorized debit transactions.

b. Duration of Order. You may make an oral stop payment order which will lapse within 14 calendar days unless you confirm it in writing, or in a record if allowed by applicable law, within that time. A written stop payment order is effective for six months and may be renewed for additional six-month periods by submitting a renewal request in writing, or in a record if allowed by applicable law, before the stop payment order then in effect expires. We do not have to notify you when a stop payment order expires.

c. Liability. Fees for stop payment orders are set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges. You may not stop payment on any certified check, cashier's check, teller's check, or any other check, draft, or payment guaranteed by us. Although payment of an item may be stopped, you may remain liable to any item holder, including us. You agree to indemnify and hold the Credit Union harmless from all costs, including attorney's fees and all damages or claims related to our refusal to pay an item, as well as claims of any joint account owner or of any payee or endorsee for failing to stop payment of an item as a result of incorrect information provided by you.

17. CREDIT UNION LIABILITY - If we do not properly complete a transaction according to this Agreement, we will be liable for your losses or damages not to exceed the amount of the transaction, except as otherwise provided by law. We will not be liable if, for example: (1) your account contains an insufficient available balance for the transaction; (2) circumstances beyond our control prevent the transaction; (3) your loss is caused by your or another financial institution's negligence; or (4) your account funds are subject to legal process or other claim. We will not be liable for consequential damages, except liability for wrongful dishonor. We are not responsible for a check or draft that is paid by us if we acted in a commercially reasonable manner and exercised ordinary care. We exercise ordinary care if our actions or nonactions are consistent with applicable state law, Federal Reserve regulations and operating letters, clearinghouse rules, and general financial institution practices followed in the area we serve. You grant us the right, in making payments of deposited funds, to rely exclusively on the form of the account and the terms of this Agreement. Any conflict regarding what you and our employees say or write will be resolved by reference to this Agreement.

18. CHECKS OR DRAFTS PRESENTED FOR PAYMENT IN PERSON - We may refuse to accept any check or draft drawn on your account that is presented for payment in person. Such refusal shall not constitute a wrongful dishonor of the check or draft, and we shall have no liability for refusing payment. If we agree to cash a check or draft that is presented for payment in person, we may require the presenter to pay a fee. Any applicable check or draft cashing fees are stated in the Schedule of Fees and Charges.

19. REMOTELY CREATED CHECKS OR DRAFTS - For purposes of this paragraph, "account" means a transaction account, credit account, or any other account on which checks or drafts may be drawn. A remotely created check or draft is a check or draft created by someone other than the person on whose account the check or draft is drawn. A remotely created check or draft is generally created by a third party payee as authorized by the owner of the account on which the check or draft is drawn. Authorization is usually made over the telephone or through online communication. The owner of the account does not sign a remotely created check or draft. In place of the owner's signature, the remotely created check or draft usually bears a statement that the owner authorized the check or draft or bears the owner's printed or typed name. If you authorize a third party to draw a remotely created check or draft against your account, you may not later revoke or change your authorization. It is your responsibility to resolve any authorization issues directly with the third party. We are not required to credit your account and may charge against your account any remotely created check or draft for which the third party has proof of your authorization.

20. PLEDGE, RIGHT OF OFFSET AND STATUTORY LIEN - Unless prohibited by law, you pledge and grant as security for all obligations you may have now or in the future, except obligations secured by your principal residence, all shares and dividends and all deposits and interest, if any, in all accounts you have with us now and in the future. If you pledge a specific dollar amount in your account(s) for a loan, we will freeze the funds in your account(s) to the extent of the outstanding balance of the loan or, if greater, the amount of the pledge if the loan is a revolving loan. Otherwise, funds in your pledged account(s) may be withdrawn unless you are in default. You agree we have the right to offset funds in any of your accounts against the obligation owed to us. Federal or state law (depending upon whether we have a federal or state charter) gives us a lien on all shares and dividends and all deposits and interest, if any, in accounts you have with us now and in the future. Except as limited by federal or state law, the statutory lien gives us the right to apply the balance of all your accounts to any obligation on which you are in default. After you are in default, we may exercise our statutory lien rights without further notice to you.

Your pledge and our statutory lien rights will allow us to apply the funds in your account(s) to what you owe when you are in default, except as limited by federal or state law. If we do not apply or offset the funds in your account(s) to satisfy your obligation, we may place an administrative freeze on your account(s) in order to protect our statutory lien rights and may apply or offset the funds in your account(s) to the amount you owe us at a later time. The statutory lien and your pledge do not apply to any Individual Retirement Account or any other account that would lose special tax treatment under federal or state law if given as security. By not enforcing our right to apply or offset funds in your account(s) to your obligations that are in default, we do not waive our right to enforce these rights at a later time.

21. LEGAL PROCESS - If any legal action is brought against your account, we may pay out funds according to the terms of the action or refuse any payout until the dispute is resolved, as permitted by law. Any expenses or attorney fees we incur responding to legal process may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our lien and security interest.

22. ACCOUNT INFORMATION - Upon request, we will give you the name and address of each agency from which we obtain a credit report regarding your account. We agree not to disclose account information to third parties except when: (1) it is necessary to complete a transaction; (2) the third party seeks to verify the existence or condition of your account in accordance with applicable law; (3) such disclosure complies with the law or a government agency or court order; or (4) you give us written permission.

23. NOTICES

a. Name or Address Changes. You are responsible for notifying us of any name or address change. The Credit Union is only required to attempt to communicate with you at the most recent address you have provided to us. We may require all name and address changes to be provided in writing. If we attempt to locate you, we may impose a service fee as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges.

b. Notice of Amendments. Except as prohibited by applicable law, we may change the terms of this Agreement at any time. We will notify you, in a manner we deem appropriate under the circumstances, of any changes in terms, rates or fees as required by law. We reserve the right to waive any terms of this Agreement. Any such waiver shall not affect our right to future enforcement.

c. Effect of Notice. Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is provided electronically or is deposited in the U.S. mail, postage prepaid and addressed to you at your statement mailing address, and will be effective whether or not received by you. Notice to any account owner is considered notice to all account owners.

d. Electronic Notices. If you have agreed to receive notices electronically, we may send you notices electronically and discontinue mailing paper notices to you until you notify us that you wish to reinstate receiving paper notices.

24. TAXPAYER IDENTIFICATION NUMBER AND BACKUP WITHHOLDING - You agree that we may withhold taxes from any dividends or interest earned on your account as required by federal, state or local law or regulations. Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other requirements may result in backup withholding. If your account is subject to backup withholding, we must withhold and pay to the Internal Revenue Service a percentage of dividends, interest, and certain other payments. If you fail to provide your TIN within a reasonable time we may close your account and return the balance to you, less any applicable service fees.

25. STATEMENTS

a. Contents. If we provide a periodic statement for your account, you will receive a periodic statement that shows the transactions and activity on your account during the statement period as required by applicable law. If a periodic statement is provided, you agree that only one statement is necessary for joint accounts. For share draft or checking accounts, you understand and agree that your original check or draft, when paid, becomes property of the Credit Union and may not be returned to you, but copies of the check or draft may be retained by us or by payable-through financial institutions and may be made available upon your request. You understand and agree that statements are made available to you on the date they are mailed to you or, if you have requested, on the date they are made available to you electronically. You also understand and agree that checks, drafts, or copies thereof are made available to you on the date the statement is mailed to you or is provided to you electronically, even if the checks or drafts do not accompany the statement.

b. Examination. You are responsible for promptly examining each statement upon receiving it and reporting any irregularities to us. If you fail to report any irregularities such as forged, altered, unauthorized, unsigned, or otherwise fraudulent items drawn on your account, erroneous payments or transactions, or other discrepancies that are reflected on your statement within 33 days of the date we sent or otherwise provided the statement to you, we will not be responsible for your loss. We also will not be liable for any items that are forged or altered in a manner not detectable by a reasonable person, including the unauthorized use of facsimile signature equipment.

Unauthorized electronic fund transfers governed by Regulation E are subject to different reporting periods. Please refer to the Electronic Fund Transfers Agreement and Disclosure for reporting requirements pertaining to electronic fund transfers.

c. Notice to Credit Union. You agree that the Credit Union's retention of checks or drafts does not alter or waive your responsibility to examine your statements or the time limit for notifying us of any errors. The statement will be considered correct for all purposes, and we will not be liable for any payment made or charge to your account unless you notify us in writing within the above time limit for notifying us of any errors. If you fail to receive a periodic statement, you agree to notify us within 14 days of the time you regularly receive a statement.

d. Address. If we mail you a statement, we will send it to the last known address shown in our records. If you have requested to receive your statement electronically, we will send the statement or notice of statement availability to the last e-mail address shown in our records.

26. INACTIVE ACCOUNTS - As allowed by applicable law, we may classify your account as inactive or dormant and assess a fee if you have not made any transactions in your account over a specified period of time. The period of inactivity, the fee for servicing an inactive or dormant account, and the minimum balance required to avoid the service fee, if any, are set forth in our Schedule of Fees and Charges. You authorize us to transfer funds from another account of yours to cover any service fees, if applicable. To the extent allowed by law, we reserve the right to transfer the account funds to an account payable or reserve account and to suspend any further account statements. If a deposit or withdrawal has not been made on the account and we have had no other sufficient contact with you within the period specified by state law, the account will then be presumed to be abandoned. Funds in abandoned accounts will be reported and remitted in accordance with state law. Once funds have been turned over to the state, we have no further liability to you for such funds. If you choose to reclaim such funds, you must apply to the appropriate state agency.

27. SPECIAL ACCOUNT INSTRUCTIONS - You may request that we facilitate certain trust, will, or court-ordered account arrangements. However, because we do not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. If you ask us to follow any instructions that we believe might expose us to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require you to indemnify us or post a bond or provide us with other protection. We may require that account changes requested by you, or any account owner, such as adding or closing an account or service, be evidenced by a signed Account Change Card or other document which evidences a change to an account and accepted by us.

28. TERMINATION OF ACCOUNT - We may terminate your account at any time without notice to you or may require you to close your account and apply for a new account if, for example: (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account; (3) there is a dispute as to the ownership of the account or of the funds in the account; (4) any checks or drafts are lost or stolen; (5) there are excessive returned unpaid items not covered by an overdraft protection plan; (6) there has been any misrepresentation or any other abuse of any of your accounts; (7) we reasonably deem it necessary to prevent a loss to us; or (8) as otherwise permitted by law. You may terminate an individual account by giving written notice. We reserve the right to require the consent of all owners to terminate a joint account. We are not responsible for payment of any check, draft, withdrawal, transaction, or other item after your account is terminated; however, if we pay an item after termination, you agree to reimburse us.

29. TERMINATION OF MEMBERSHIP; LIMITATION OF SERVICES - You may terminate your membership by giving us written notice or by withdrawing your minimum required membership share, if any, and closing all of your accounts. You may be expelled from membership for any reason allowed by applicable law. We may restrict account access and services without notice to you when your account is being misused; you have demonstrated conduct which is abusive in nature; as outlined in any policy we have adopted regarding restricting services; or as otherwise permitted by law.

30. DEATH OF ACCOUNT OWNER - We may honor all transfer orders, withdrawals, deposits, and other transactions on an account until we know of a member's death. Even with such knowledge, we may continue to pay checks or drafts or honor other payments or transfer orders authorized by the deceased member for a period of ten days after the member's death unless we receive instructions from any person claiming an interest in the account to stop payment on the checks, drafts, or other items. We may require anyone claiming a deceased owner's account funds to indemnify us for any losses resulting from our honoring that claim. This Agreement will be binding upon any heirs or legal representatives of any account owner.

31. UNLAWFUL INTERNET GAMBLING AND OTHER ILLEGAL ACTIVITIES - You agree that you are not engaged in unlawful internet gambling or any other illegal activity. You agree that you will not use any of your accounts, access devices or services for unlawful internet gambling or other illegal activities. We may terminate your account relationship if you engage in unlawful internet gambling or other illegal activities.

32. SEVERABILITY - If a court holds any portion of this Agreement to be invalid or unenforceable, the remainder of this Agreement shall not be invalid or unenforceable and will continue in full force and effect. All headings are intended for reference only and are not to be construed as part of the Agreement.

33. ENFORCEMENT - You are liable to us for any losses, costs, or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs, or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post judgment collection actions.

34. GOVERNING LAW - This Agreement is governed by the following, as amended from time to time: the Credit Union's bylaws; local clearinghouse and other payment system rules; federal laws and regulations, including applicable principles of contract law; and the laws and regulations of the state of Pennsylvania. As permitted by applicable law, you agree that any legal action regarding this Agreement shall be brought in the county in which the Credit Union is located.

35. NEGATIVE INFORMATION NOTICE - We may report information about your loan, share, or deposit accounts to credit bureaus. Late payments, missed payments, or other defaults on your accounts may be reflected in your credit report.

36. MONITORING AND RECORDING COMMUNICATIONS - We may monitor and record communications between you and us, including telephone conversations, electronic messages, electronic records, or other data transmissions that affect your accounts or other products and services. Except as otherwise prohibited by applicable law, you agree we may monitor and record such communications without your approval or further notice to you.

37. CONSENT TO CONTACT - By signing or otherwise authenticating an Account Card, you agree we and/or our third-party providers, including debt collectors, may contact you by telephone or text message at any telephone number associated with your account, including wireless telephone numbers (i.e. cell phone numbers) which could result in charges to you, in order to service your account or collect any amounts owed to us, excluding any contacts for advertising and telemarketing purposes as prescribed by law. You further agree methods of contact may include use of pre-recorded or artificial voice messages, and/or use of an automatic dialing device. You may withdraw the consent to be contacted on your wireless telephone number(s) at any time by any reasonable means. If you have provided a wireless telephone number(s) on or in connection with any account, you represent and agree you are the wireless subscriber or customary user with respect to the wireless telephone number(s) provided and have the authority to give this consent. Furthermore, you agree to notify us of any change to the wireless telephone number(s) which you have provided to us.

In order to help mitigate harm to you and your account, we may contact you on any telephone number associated with your account, including a wireless telephone number (i.e. cell phone number), to deliver to you any messages related to suspected or actual fraudulent activity on your account, data security breaches or identity theft following a data breach, money transfers or any other exigent messages permitted by applicable law. These contacts will not contain any telemarketing, cross-marketing, solicitation, advertising, or debt collection message of any kind. The contacts will be concise and limited in frequency as required by law. You will have an opportunity to opt-out of such communications at the time of delivery.

38. BINDING ARBITRATION AND CLASS ACTION WAIVER

RESOLUTION OF DISPUTES BY ARBITRATION: THIS SECTION CONTAINS IMPORTANT INFORMATION REGARDING YOUR ACCOUNTS AND ALL RELATED SERVICES. IT PROVIDES THAT EITHER YOU OR WE CAN REQUIRE THAT ANY DISPUTES BE RESOLVED BY BINDING ARBITRATION. ARBITRATION REPLACES THE RIGHT TO GO TO COURT, INCLUDING THE RIGHT TO A JURY TRIAL AND THE RIGHT TO PARTICIPATE IN A CLASS ACTION OR SIMILAR PROCEEDING. IN ARBITRATION, THE DISPUTE IS SUBMITTED TO A NEUTRAL PARTY, AN ARBITRATOR, INSTEAD OF A JUDGE OR JURY. ARBITRATION PROCEDURES MAY BE MORE LIMITED THAN RULES APPLICABLE IN COURT.

Agreement to Arbitrate Disputes.

Either you or we may elect, without the other's consent, to require that any dispute between us concerning your accounts and the services related to your accounts be resolved by binding arbitration, except for those disputes specifically excluded below.

No Class Action or Joinder of Parties.

YOU ACKNOWLEDGE THAT YOU AND WE AGREE THAT NO CLASS ACTION, CLASS-WIDE ARBITRATION, PRIVATE ATTORNEY GENERAL ACTION, OR OTHER PROCEEDING WHERE SOMEONE ACTS IN A REPRESENTATIVE CAPACITY, MAY BE PURSUED IN ANY ARBITRATION OR IN ANY COURT PROCEEDING, REGARDLESS OF WHEN THE CLAIM OR CAUSE OF ACTION AROSE OR ACCRUED, OR WHEN THE ALLEGATIONS OR FACTS UNDERLYING THE CLAIM OR CAUSE OF ACTION OCCURRED. Unless mutually agreed to by you and us, claims of two or more persons may not be joined, consolidated, or otherwise brought together in the same arbitration (unless those persons are joint account holders or beneficiaries on your account and/or related accounts, or parties to a single transaction or related transaction), whether or not the claim may have been assigned.

Disputes Covered by Arbitration.

YOU ACKNOWLEDGE THAT IN ARBITRATION THERE WILL BE NO RIGHT TO A JURY TRIAL. Any claim or dispute relating to or arising out of your accounts or our relationship will be subject to arbitration, regardless of whether that dispute arose before or after your receipt of this notice. Disputes include claims made as part of a class action, private attorney general or other representative action, it being expressly understood and agreed to that the arbitration of such claims must proceed on an individual (non-class, non-representative) basis and the arbitrator may award relief only on an individual (non-class, non-representative) basis. Disputes also include claims relating to the enforceability or interpretation of any of these arbitration provisions. Any questions about whether disputes are subject to arbitration shall be resolved by interpreting this arbitration provision in the broadest way the law will allow it to be enforced.

All disputes are subject to arbitration, no matter what legal theory they are based on, or what remedy (damages, or injunctive or declaratory relief) they seek. Disputes include any unresolved claims concerning any services relating to your accounts. Disputes include not only claims made directly by you, but also made by anyone connected with you or claiming through you, such as a joint account holder, account beneficiary, employee, representative, agent, predecessor or successor, heir, assignee, or trustee in bankruptcy. Disputes include not only claims that relate directly to the Credit Union, but also its parent, affiliates, successors, assignees, employees, and agents, and claims for which we may be directly or indirectly liable, even if we are not properly named at the time the claim is made. Disputes include claims based on any theory of law, contract, statute, regulation, tort (including fraud or any intentional tort), or any other legal or equitable ground, and include claims asserted as counterclaims, cross-claims, third-party claims, interpleaders or otherwise; and claims made independently or with other claims. If a party initiates a proceeding in court regarding a claim or dispute which is included under this Resolution of Disputes by Arbitration provision, the other party may elect to proceed in arbitration pursuant to this Resolution of Disputes by Arbitration provision.

Disputes Excluded from Arbitration.

Disputes filed by you or by us individually in a small claims court are not subject to arbitration, so long as the disputes remain in such court and advance only an individual (non-class, non-representative) claim for relief. However, if a matter in small claims court is removed, transferred, or appealed to a non-small claims court, that claim shall be subject to this Resolution of Disputes by Arbitration provision. Claims or disputes arising from your status as a borrower under any loan agreement with the Credit Union are also excluded from this Resolution of Disputes by Arbitration provision.

Commencing an Arbitration.

The arbitration must be filed with one of the following neutral arbitration forums and follow its rules and procedures for initiating and pursuing an arbitration: American Arbitration Association or JAMS. If you initiate the arbitration, you must notify us in writing at:

Penn State Federal Credit Union
123 Amberleigh Lane
Bellefonte, Pa. 16823

If we initiate the arbitration, we will notify you in writing at your last known address on file. You may obtain a copy of the arbitration rules for these forums, as well as additional information about initiating an arbitration by contacting these arbitration forums:

American Arbitration Association
1-800-778-7879 (toll-free)
www.adr.org

JAMS
1-800-352-5267 (toll-free)
www.jamsadr.com

The arbitration shall be conducted in the same city as the U.S. District Court closest to your home address, unless the parties agree to a different location in writing.

Administration of Arbitration.

The arbitration shall be decided by a single, neutral arbitrator. The arbitrator will be either a lawyer with at least ten years' experience or a retired or former judge selected in accordance with the rules of the arbitration forum. The arbitrator shall follow procedures and rules of the arbitration forum in effect on the date the arbitration is filed unless those rules and procedures are inconsistent with this arbitration provision, in which case this arbitration provision will prevail. Those provisions and rules may limit the discovery available to you or us. The arbitrator will take reasonable steps to protect customer account information and other confidential information if requested to do so by you or by us. The arbitrator shall decide the dispute in accordance with applicable substantive law consistent with the Federal Arbitration Act and applicable statutes of limitations, will honor claims of privilege recognized at law, and will be empowered to award any damages or other relief provided for under applicable law. The arbitrator will not have the power to award relief to, or against, any person who is not a party to the arbitration. An award in arbitration shall determine the rights and obligations between the named parties only, and only in respect of the claims in arbitration, and shall not have any bearing on the rights and obligations of any other person, or on the resolution of any other dispute. Your or we may choose to have a hearing and be represented by counsel. The decision rendered by the arbitrator shall be in writing. At your or our request, the Arbitrator shall issue a written, reasoned decision following applicable law and relief granted must be relief that could be granted by the court under applicable law. Judgment on the arbitration award may be entered by any court of competent jurisdiction.

Costs.

The party initiating the arbitration shall pay the initial filing fee. If you file the arbitration and an award is rendered in your favor, we will reimburse you for your filing fee. If there is a hearing, we will pay the fees and costs of the arbitration for the first day of that hearing. All other fees and costs will be allocated in accordance with the rules of the arbitration forum. However, we will advance or reimburse filing and other fees if the arbitrator rules that you cannot afford to pay them or finds other good cause for requiring us to do so, or if you ask us in writing and we determine there is good reason for doing so. Each party shall bear the expense of their respective attorneys, experts, and witnesses and other expenses, regardless of who prevails, but a party may recover any or all costs and expenses from another party if the arbitrator, applying applicable law, so determines.

Right to Resort to Provisional Remedies Preserved.

Nothing herein shall be deemed to limit or constrain our right to resort to self-help remedies, such as the right of set-off or the right to restrain funds in an account, to interplead funds in the event of a dispute, to exercise any security interest or lien we may hold in property, or to comply with legal process, or to obtain provisional remedies such as injunctive relief, attachment, or garnishment by a court having appropriate jurisdiction; provided, however, that you or we may elect to arbitrate any dispute related to such provisional remedies.

Arbitration Award.

The arbitrator's award shall be final and binding unless a party appeals it in writing to the arbitration forum within fifteen days of notice of the award or pursuant to the rules of the arbitration forum, whichever is later. The appeal must request a new arbitration before a panel of three neutral arbitrators selected in accordance with the rules of the same arbitration forum. The panel will consider all factual and legal issues anew,

follow the same rules that apply to a proceeding using a single arbitrator, and make decisions based on the vote of the majority. Costs will be allocated in the same manner as allocated before a single arbitrator. An award by a panel is final and binding on the parties after fifteen days of notice of the award or pursuant to the rules of the arbitration forum, whichever is later. A final and binding award is subject to judicial intervention or review only to the extent allowed under the Federal Arbitration Act or other applicable law. A party may seek to have a final and binding award entered as a judgment in any court having jurisdiction.

Governing Law.

You and we agree that our relationship includes transactions involving interstate commerce and that these arbitration provisions are governed by, and enforceable under, the Federal Arbitration Act. To the extent state law is applicable, the laws of the State of Pennsylvania shall apply.

Severability, Survival.

These arbitration provisions shall survive (a) termination or changes to your accounts or any related services; (b) the bankruptcy of any party; and (c) the transfer or assignment of your accounts or any related services. If any portion of this Resolution of Disputes by Arbitration provision is deemed invalid or unenforceable, the remainder of this Resolution of Disputes by Arbitration provision shall remain in force. No portion of this Resolution of Disputes by Arbitration provision may be amended, severed, or waived absent a written agreement between you and us.

Right to Reject this Resolution of Disputes by Arbitration provision.

YOU MAY CHOOSE TO REJECT THIS RESOLUTION OF DISPUTES BY ARBITRATION PROVISION BY SENDING US WRITTEN NOTICE AS DESCRIBED BELOW:

COURTESY PAY PROGRAM DISCLOSURE

Courtesy Pay Program

This Courtesy Pay disclosure describes the circumstances when we (the "Credit Union") will pay overdrafts in an accountholder's (also "you" and "your") checking account and charge a fee. "Overdraft" means there is not enough available balance in your account to pay for a transaction. If we pay an overdraft (or return an item unpaid), we will charge your account a Non-Sufficient Funds (or "overdraft") fee of \$5.00 per presentment. The \$5.00 fee is described in our Fee Schedule, which is updated periodically.

Under the Courtesy Pay program, we, at our sole discretion may honor and pay checks, automatic debits (ACH) and bill payment items drawn against a checking account that does not have sufficient funds available at the time of presentment. Courtesy Pay will be applied only after the account's other sources of overdraft protection (savings or credit lines) have been depleted. Eligibility for Courtesy Pay may be available upon account opening for primary account holders who are at least 18 years old, all member accounts are in good standing (accounts that have positive balances at least once every 30 days; all loans and Visa accounts are current); no member on the account has caused us a loss; and the account is not under administrative/legal order or a levy. The maximum limit of Courtesy pay is one half of the ACH credits received via payroll deposits and other incoming funds transfers to that checking account or \$300 per checking account (whichever is greater) unless otherwise specified.

If we pay an overdraft on an account with more than one (1) owner on the signature card, all owners drawing/presenting the item (thereby creating the overdraft item) are jointly and severally liable for such overdrafts plus applicable fees. Collection action will be taken on accounts whose negative balance exceeds forty-five (45) consecutive calendar days. If the account remains negative for 10 consecutive calendar days, an Extended Negative Balance fee will be assessed as set forth in our Fee Schedule. The Credit Union has no obligation to notify the member before we pay an NSF item. Courtesy Pay is non-contractual and discretionary. We may refuse to provide this service on any checking account at any time. You have no contractual right to the Courtesy Pay program, nor is it guaranteed. You may opt out of the Courtesy Pay program at account opening or any other time by notifying us in writing.

Your Checking Account Balance

Your checking account has two kinds of balances: the "**actual**" balance and the "**available**" balance. Both can be checked when you review your account online, at an ATM, by phone, or at a branch. It is important to understand how the two balances work so that you know how much money is in your account at any given time. This section explains actual and available balances and how they work.

Your **actual balance** is the amount of money that is actually in your account at any given time. It reflects transactions that have "posted" to your accounts, but not transactions that have been authorized and are pending. While the term "actual" may sound as though the number you see is an up-to-date display of what is in your account that you can spend, that is not always the case. Any purchases, holds, fees, other charges or deposits made on your account that have not yet been posted will not appear in your actual balance. For example, if you have a \$50.00 actual balance, but you wrote a check for \$40, then your actual balance is \$50 but does not reflect the pending check transaction. You actually have \$50 but have already spent \$40.00 leaving an available \$10.

Your **available balance** is the amount of money in our account that is available to you to use without incurring an overdraft fee. The available balance considers things like holds placed on deposits and pending transactions (such as pending debit card purchases) that the Credit Union has authorized but that have not yet posted to your account. For example, assume you have an actual balance of \$50 and an available balance of \$50.00. If you were to use your debit card at a restaurant for \$20, then that merchant could ask us to preauthorize the payment. In that case, we will put a "hold" on your account for \$20. Your actual balance would still be \$50 because the transaction has not yet been posted, but your available balance would be \$30 because you have committed to pay the restaurant \$20. When the restaurant submits its bill for payment (which can be a few days later), we will post the transaction to your account and your actual balance will be reduced by \$20.

It is very important to understand that you may still overdraw your account even though the available balance appears to show there are sufficient funds to cover a transaction you want to make. This is because your available balance may not reflect all of your outstanding checks and automatic bill payments that you have authorized, or other outstanding transactions that have not been paid from your account.

In addition, your available balance may not reflect all your debit card transactions. For example, if a merchant obtains our prior authorization but does not submit a one-time debit card transaction within two (2) business days of authorization, we must release authorization hold on the transaction. The available balance will not reflect this transaction once the hold has been released until the transaction has been received by us and paid from your account.

How transactions are posted to your account

Basically, there are two types of transactions that affect your account: credit (deposits of money into your account) and debits (payments out of your account). It is important to understand how each is applied to your account so that you know how much money you have and how much is available to you at any given time. This section explains generally how and when we post transactions to your account.

Credits

Deposits are generally added to your account when we receive them. However, in some cases when you deposit a check, the full amount may not be available to you at the time of deposit. Please refer to the Funds Availability Policy Disclosure for details regarding the timing and availability of funds from deposits.

Debits

There are several types of debit transactions. Common debit transactions are generally described below. Keep in mind that there are many ways transactions are presented for payment by merchants, and we are not necessarily in control of when transactions are received.

- **Checks.** When you write a check, it is processed through the Federal Reserve system. We receive data files of cashed checks from the Federal Reserve each day. The checks drawn on your account are compiled from these data files and paid each day. We process the payments from low to high dollar value.
- **ACH Payments.** We receive data files every day from the Federal Reserve with Automated Clearing House (ACH) transactions. These include, for example, automatic bill payments you have authorized. ACH transactions for your account are posted throughout the day in order of receipt.
- **PIN-Based Debit Card Purchase Transaction.** These are purchase transactions using your debit card for which a merchant may require you to enter your personal identification number (PIN) at the time of sale. They are processed through a PIN debit network. These transactions are similar to ATM withdrawal transactions because the money is usually deducted from your account immediately at the time of the transaction. However, depending on the merchant, a PIN-based transaction may not be immediately presented for payment.
- **Signature-Based Debit Card Purchase Transactions.** These are purchase transactions using your debit card that are processed through a signature-based network. Rather than entering a PIN, you typically sign for the purchase, however, merchants may not require your signature for certain transactions. Merchants may seek authorization for these types of transactions. The authorization request places a hold on funds in your account when the authorization is completed. This is referred to as an "authorization hold." An authorization hold will reduce your available balance by the amount authorized but will not affect your actual balance. The transaction is subsequently processed by the merchant and submitted to us for payment. This can happen hours or sometimes days after the transaction, depending on the merchant and its payment processor. These payment requests are received in real time throughout the day and are posted to your account when they are received.

The amount of an authorization hold may differ from the actual payment because the final transaction amount may not yet be known to the merchant when you present your card for payment. For example, if you use your debit card at a restaurant, a hold will be placed in the amount equal to the bill presented to you; but when the transaction posts, it will include any tip that you may have added to the bill. This may also be the case where you present your debit card for payment at gas stations, hotels, and certain other retail establishments. We cannot control how much a merchant asks us to authorize, or when a merchant submits a transaction for payment.

For debit card transactions involving merchant authorization holds, there may be a delay between the hold being applied and the transaction posting to your account. During the delay, intervening transactions may impact the available balance in your account. It is important to keep in mind that we check your available balance both at the time the merchant's authorization request is received and again when the transaction settles and posts to your account. If your available balance is insufficient to cover the amount of the merchant's authorization request, we will decline the request. If your available balance is sufficient to cover the merchant's authorization request, the request will be approved, and an authorization hold in the amount of the request will be placed on your account. The transaction will be subsequently processed by the merchant and submitted to us for payment. If the transaction settles and posts to your account at a time when the available balance is insufficient to pay the transaction without causing an overdraft (i.e., posting the transaction results in an available balance of less than \$0), we will charge you a fee for overdrawing your account, even though the available balance in your account was sufficient to cover the transaction at the time it was authorized.

The following example illustrates how this works:

Assume your actual and available balances are both \$40, and you use your debit card at a restaurant to pay your bill totaling \$30. If the restaurant requests authorization in the amount of \$30, and authorization hold is placed on \$30 in your account. Your available balance is \$10, but the actual balance remains \$40. Before the restaurant charge is sent to us for payment, a check that you wrote for \$40 is presented for payment. Because your available balance is only \$10 due to the \$30 authorization hold, your account will be overdrawn by \$30 when the check transaction is posted to your account even though your actual balance is \$40. In this example, if we pay the \$40 check in accordance with our standard overdraft services, we will charge you a fee for overdrafting your account as disclosed in the Schedule of Fees and Charges. The fee will also be deducted from your account, further increasing the overdrawn amount. In addition, when the restaurant charge is finally submitted to us for payment, we will release the authorization hold and pay the transaction amount to the restaurant. The transaction amount may be \$30 or a different amount (for example, if you added a tip). Because the amount of the restaurant exceeds your available balance at the time the charge is settled (i.e., at the time the merchant or its financial institution requests payment or the transaction posts to your account), we will charge you another fee for overdrawing your account, even though you had a sufficient available balance in your account at the time the restaurant charge was authorized and approved.

This is a general description of certain types of transactions. These practices may change, and we reserve the right to pay items in any order we choose as permitted by law.

We may receive multiple deposit and withdrawal transactions on your account in many different forms throughout each business day. This means that you may be charged more than one \$5 fee if we pay multiple transactions when your account is overdrawn. **The best way to know how much money you have and avoid paying overdraft fees is to record and track all your transactions closely.** Although you are not charged for using Courtesy Pay unless you have an overdraft, you may opt-out of Courtesy Pay at any time. Additional information is found in your Account Agreement. **IF YOU DO NOT UNDERSTAND THIS AGREEMENT OR HAVE ANY QUESTIONS, PLEASE CONTACT US AT 1-800-828-4636.**

FUNDS AVAILABILITY POLICY DISCLOSURE

This Disclosure describes your ability to withdraw funds at Penn State Federal Credit Union. It only applies to the availability of funds in transaction accounts. The Credit Union reserves the right to delay the availability of funds deposited to accounts that are not transaction accounts for periods longer than those disclosed in this policy. Please ask us if you have a question about which accounts are affected by this policy.

1. GENERAL POLICY — Our policy is to make funds from your cash and check deposits available to you on the same business day that we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before 4:00 p.m. at a staffed facility or before 10:00 p.m. at an ATM that we own or operate on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after our cutoff hour or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

2. RESERVATION OF RIGHT TO HOLD — In some cases, we will not make all of the funds that you deposit by check available to you on the same business day that we receive your deposit. Funds may not be available until the second business day after the day of your deposit. However, the first \$225.00 of your deposit will be available on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the same business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees or if we decide to take this action after you have left the premises, we will mail you the notice by the next business day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

3. HOLDS ON OTHER FUNDS — If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this Disclosure for the type of check that you deposited.

4. LONGER DELAYS MAY APPLY — We may delay your ability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,525.00 on any one (1) day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six (6) months.
- There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

5. SPECIAL RULES FOR NEW ACCOUNTS — If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from cash, wire transfers and electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of the first \$5,525.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks will be available on the next business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,525.00 will be available on the seventh business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525.00 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the thirtieth calendar day after the day of your deposit.

6. DEPOSITS AT NONPROPRIETARY ATMS — Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we do not own or operate will not be available until the fifth business day after the date of your deposit. This rule does not apply at ATMs that we own or operate. All ATMs that we own or operate are identified as our machines.

7. CASH WITHDRAWAL LIMITATION — We place certain limitations on withdrawals in cash. In general, \$225.00 of a deposit is available for withdrawal in cash by the first business day after the day of deposit. In addition, a total of \$450.00 of other funds becoming available on a given day will be available for withdrawal in cash at or after 4:00 p.m. that day. Any remaining funds will be available for withdrawal in cash by the following business day.

ELECTRONIC FUND TRANSFERS AGREEMENT AND DISCLOSURE

This Electronic Fund Transfers Agreement and Disclosure is the contract which covers your and our rights and responsibilities concerning the electronic fund transfers (EFT) services offered to you by Penn State Federal Credit Union ("Credit Union"). In this Agreement, the words "you," "your," and "yours" mean those who sign the application or account card as applicants, joint owners, or any authorized users. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one (1) or more share and share draft accounts you have with the Credit Union. Electronic fund transfers are electronically initiated transfers of money from your account through the EFT services described below. By signing an application or account card for EFT services, signing your card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments for the EFT services offered. Furthermore, electronic fund transfers that meet the definition of remittance transfers are governed by 12 C.F.R. part 1005, subpart B—Requirements for remittance transfers, and consequently, terms of this agreement may vary for those types of transactions. A "remittance transfer" is an electronic transfer of funds of more than \$15.00 which is requested by a sender and sent to a designated recipient in a foreign country by a remittance transfer provider. Terms applicable to such transactions may vary from those disclosed herein and will be disclosed to you at the time such services are requested and rendered in accordance with applicable law.

1. EFT SERVICES — If approved, you may conduct any one (1) or more of the EFT services offered by the Credit Union.

a. ATM Card. If approved, you may use your card and personal identification number (PIN) in automated teller machines (ATMs) of the Credit Union, PLUS®, Interlink and CU24 networks, and such other machines or facilities as the Credit Union may designate. For ATM transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for ATM overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

At the present time, you may use your card to:

- Make deposits to your share and share draft accounts.
- Withdraw funds from your share and share draft accounts.
- Transfer funds from your share and share draft accounts.
- Obtain balance information for your share and share draft accounts.
- Make point-of-sale (POS) transactions with your card and personal identification number (PIN) to purchase goods or services at POS terminals that carry PLUS®, Interlink and CU24 network logo(s).

The following limitations on ATM Card transactions may apply:

- You may make three (3) cash withdrawals in any one (1) day.
- You may withdraw up to a maximum of \$300.00 in any one (1) day, if there are sufficient funds in your account.
- You may make three (3) POS transactions in any one (1) day.
- You may purchase up to a maximum of \$600.00 from POS terminals per day, if there are sufficient funds in your account.
- You may transfer up to the available balance in your accounts at the time of the transfer.
- See Section 2 for transfer limitations that may apply to these transactions.

Because of the servicing schedule and processing time required in ATM operations, there may be a delay between the time a deposit (either cash or check) is made and when it will be available for withdrawal.

b. VISA Debit Card. If approved, you may use your Visa® card to purchase goods and services from participating merchants. If you wish to pay for goods or services over the Internet, you may be required to provide card number security information before you will be permitted to complete the transaction. You agree that you will not use your card for any transaction that is illegal under applicable federal, state, or local law. Funds to cover your card purchases will be deducted from your share draft account. For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

For other types of transactions, if the balance in your account is not sufficient to pay the transaction amount, the Credit Union may pay the amount and treat the transaction as a request to transfer funds from other deposit accounts, approved overdraft protection accounts, or loan accounts that you have established with the Credit Union. If you initiate a transaction that overdraws your account, you agree to make immediate payment of any overdrafts together with any service charges to the Credit Union. In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement. You may use your card and personal identification number (PIN) in ATMs of the Credit Union, PLUS, Interlink, and CU24 networks, and such other machines or facilities as the Credit Union may designate. In addition, you may use your Visa card without a PIN for certain transactions on the Visa, PLUS, Interlink, and CU24 networks. However, provisions of this Agreement relating only to Visa debit transactions, such as additional limits on your liability and streamlined error resolution procedures, do not apply to transactions processed through non-Visa networks. To initiate a Visa debit transaction, you may sign a receipt, provide a card number, or swipe or insert your card at a point-of-sale (POS) terminal and choose to route the transaction over a Visa network.

At the present time, you may also use your card to:

- Make deposits to your share draft and savings accounts.
- Withdraw funds from your share and share draft accounts.
- Transfer funds from your share draft and savings accounts.
- Obtain balance information for your share draft and savings accounts.
- Make point-of-sale (POS) transactions with your card and personal identification number (PIN) to purchase goods or services at merchants that accept Visa.
- Order goods or services online or by mail or telephone from places that accept Visa.

- You may make three (3) cash withdrawals in any one (1) day from an ATM machine.
- You may withdraw up to a maximum of \$300.00 in any one (1) day from an ATM machine, if there are sufficient funds in your account.
- You may make three (3) POS transactions in any one (1) day.
- You may purchase up to a maximum of \$1,000.00 from POS terminals per day, if there are sufficient funds in your account.
- You may transfer up to the available balance in your accounts at the time of the transfer.
- See Section 2 for transfer limitations that may apply to these transactions.

Card Information Updates and Authorizations. If you have authorized a merchant to bill charges to your card on a recurring basis, it is your responsibility to notify the merchant in the event your card is replaced, your card information (such as card number and expiration date) changes, or the account associated with your card is closed. However, if your card is replaced or card information changes, you authorize us, without obligation on our part, to provide the updated card information to the merchant in order to permit the merchant to bill recurring charges to the card. You authorize us to apply such recurring charges to the card until you notify us that you have revoked authorization for the charges to your card.

Your card is automatically enrolled in an information updating service. Through this service, your updated card information (such as card number and expiration date) may be shared with participating merchants to facilitate continued recurring charges. Updates are not guaranteed before your next payment to a merchant is due. You are responsible for making direct payment until recurring charges resume. To revoke your authorization allowing us to provide updated card information to a merchant, please contact us.

c. Preauthorized EFTs.

- **Direct Deposit.** Upon instruction of (i) your employer, (ii) the Treasury Department or (iii) other financial institutions, the Credit Union will accept direct deposits of your paycheck or federal recurring payments, such as Social Security, to your share, share draft and Money Market Share account.
- **Preauthorized Debits.** Upon instruction, we will pay certain recurring transactions from your share and share draft account.
- See Section 2 for transfer limitations that may apply to these transactions.
- **Stop Payment Rights.** If you have arranged in advance to make electronic fund transfers out of your account(s) for money you owe others, you may stop payment on preauthorized transfers from your account. You must notify us orally or in writing at any time up to three (3) business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within 14 days of any oral notification. If we do not receive the written confirmation, the oral stop payment order shall cease to be binding 14 days after it has been made. A stop payment request may apply to a single transfer, multiple transfers, or all future transfers as directed by you, and will remain in effect unless you withdraw your request or all transfers subject to the request have been returned.
- **Notice of Varying Amounts.** If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.
- **Liability for Failure to Stop Payment of Preauthorized Transfers.** If you order us to stop payment of a preauthorized transfer three (3) business days or more before the transfer is scheduled and we do not do so, we will be liable for your losses or damages.

d. Electronic Check Conversion/Electronic Returned Check Fees. If you pay for purchases or bills with a check or draft, you may authorize your check or draft to be converted to an electronic fund transfer. You may also authorize merchants or other payees to electronically debit your account for returned check fees. You are considered to have authorized these electronic fund transfers if you complete the transaction after being told (orally or by a notice posted or sent to you) that the transfer may be processed electronically or if you sign a written authorization.

All checks are payable to you as a primary member and will be mailed to your address of record. We may set other limits on the amount of any transaction, and you will be notified of those limits. We will not process any bill payment transfer if the required transaction information is incomplete.

We will withdraw the designated funds from your share draft account for bill payment transfer by the designated cutoff time on the date you schedule for payment. We will process your bill payment transfer within a designated number of days before the date you schedule for payment. You must allow sufficient time for vendors to process your payment after they receive a transfer from us. Please leave as much time as though you were sending your payment by mail. We cannot guarantee the time that any payment will be credited to your account by the vendor.

The following limitations on Bill Pay transactions may apply:

- There is no limit on the number of bill payments per day.
- When paying a company the dollar limit is \$49,999.99 and there is no number of transaction limits. When paying a person/individual the dollar limit is \$1600 per transaction and \$3200 per day.

2. TRANSFER LIMITATIONS — None.

3. CONDITIONS OF EFT SERVICES —

a. Ownership of Cards. Any card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the card, immediately according to instructions. The card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your card or account to another person.

b. Honoring the Card. Neither we nor merchants authorized to honor the card will be responsible for the failure or refusal to honor the card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.

c. Foreign Transactions.

Visa. Purchases and cash withdrawals made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable transaction date, which rate may vary from the rate Visa itself

receives, or the rate mandated by the government or governing body in effect for the applicable transaction date. The exchange rate used on the transaction date may differ from the rate that would have been used on the processing date or cardholder statement posting date.

A fee of 1.00% of the amount of the transaction, calculated in U.S. dollars, will be imposed on all foreign transactions, including purchases, cash withdrawals and credits to your account. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the United States, with the exception of U.S. military bases, U.S. territories, U.S. embassies or U.S. consulates. Transactions completed by merchants outside of the United States are considered foreign transactions, regardless of whether you are located inside or outside the United States at the time of the transaction.

d. Security of Access Code. You may use one (1) or more access codes with your electronic fund transfers. The access codes issued to you are for your security purposes. Any access codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the card. You are responsible for safekeeping your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes, that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate your EFT services immediately.

e. Joint Accounts. If any of your accounts accessed under this Agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any share and share draft or loan accounts as provided in this Agreement. Each joint account owner, without the consent of any other account owner, may, and is hereby authorized by every other joint account owner, make any transaction permitted under this Agreement. Each joint account owner is authorized to act for the other account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.

4. FEES AND CHARGES — We assess certain fees and charges for EFT services. For a current listing of all applicable fees and charges, see our current Schedule of Fees and Charges that was provided to you at the time you applied for or requested these EFT services. From time to time, the fees and charges may be changed, and we will notify you as required by applicable law.

Additionally, if you use an ATM not operated by us, you may be charged a fee(s) by the ATM operator and by any international, national, regional, or local network used in processing the transaction (and you may be charged a fee for a balance inquiry even if you do not complete a funds transfer). The ATM fee(s), or surcharge(s), will be debited from your account if you elect to complete the transaction and/or continue with the balance inquiry.

You understand and agree that we and/or the ATM operator may charge you multiple fees for multiple transactions during the same ATM session (for example, fees for both a balance inquiry and a cash withdrawal).

5. MEMBER LIABILITY — You are responsible for all transactions you authorize using your EFT services under this Agreement. If you permit someone else to use an EFT service, your card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts.

TELL US AT ONCE if you believe your card or access code has been lost or stolen, if you believe someone has used your card or access code or otherwise accessed your accounts without your authority, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line-of-credit). If a transaction was made with your card or card number without your permission and was a Visa transaction, you will have no liability for the transaction, unless you were fraudulent or negligent in the handling of your account or card.

For all other EFT transactions involving your card or access code, including if you were negligent in the handling of your account or card, your liability for an unauthorized transaction is determined as follows. If you tell us within two (2) business days after you learn of the loss or theft of your card or access code, you can lose no more than \$50.00 if someone used your card or access code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or access code and we can prove we could have stopped someone from using your card or access code without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make including those made by card, access code or other means, TELL US AT ONCE. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money lost after the 60 days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods.

If you believe your card or access code has been lost or stolen or that someone has transferred or may transfer money from your accounts without your permission, call:

(814) 865-7728
(866) 840-2662 (lost/stolen)

or write to:

Penn State Federal Credit Union
123 Amberleigh Ln
Bellefonte, PA 16823-8488
Fax: (814) 863-6183

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

6. RIGHT TO RECEIVE DOCUMENTATION —

a. Periodic Statements. Transfers and withdrawals made through any ATM or POS terminal, debit card transactions, preauthorized EFTs, online/PC transactions, mobile access device transactions or bill payments you make will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least quarterly.

b. Terminal Receipt. You can get a receipt at the time you make any transaction (except inquiries) involving your account using an ATM and/or point-of-sale (POS) terminal.

c. Direct Deposit. If you have arranged to have a direct deposit made to your account at least once every 60 days from the same source and you do not receive a receipt (such as a pay stub), you can find out whether or not the deposit has been made by calling (814) 865-7728. This does not apply to transactions occurring outside the United States.

7. ACCOUNT INFORMATION DISCLOSURE — We will disclose information to third parties about your account or the transfers you make:

- As necessary to complete transfers;
- To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant;
- If your account is eligible for emergency cash and/or emergency card replacement services and you request such services, you agree that we may provide personal information about you and your account that is necessary to provide you with the requested service(s);
- To comply with government agency or court orders; or
- If you give us your written permission.

8. BUSINESS DAYS — Our business days are Monday through Friday, excluding holidays.

9. CREDIT UNION LIABILITY FOR FAILURE TO MAKE TRANSFERS — If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages. However, we will not be liable for direct or consequential damages in the following events:

- If, through no fault of ours, there is an insufficient available balance in your account to complete the transaction, if any funds in your accounts necessary to complete the transaction are held as uncollected funds pursuant to our Funds Availability Policy Disclosure, or if the transaction involves a loan request exceeding your credit limit.
- If you used your card or access code in an incorrect manner.
- If the ATM where you are making the transfer does not have enough cash.
- If the ATM was not working properly and you knew about the problem when you started the transaction.
- If circumstances beyond our control (such as fire, flood, or power failure) prevent the transaction.
- If the money in your account is subject to legal process or other claim.
- If funds in your account are pledged as collateral or frozen because of a delinquent loan.
- If the error was caused by a system of any participating ATM network.
- If the electronic transfer is not completed as a result of your willful or negligent use of your card, access code, or any EFT facility for making such transfers.
- If the telephone or computer equipment you use to conduct audio response, online/PC, or mobile banking transactions is not working properly and you know or should have known about the breakdown when you started the transaction.
- If you have bill payment services, we can only confirm the amount, the participating merchant, and date of the bill payment transfer made by the Credit Union. For any other error or question you have involving the billing statement of the participating merchant, you must contact the merchant directly. We are not responsible for investigating such errors.
- Any other exceptions as established by the Credit Union.

10. NOTICES — All notices from us will be effective when we have mailed them or delivered them to the appropriate address in the Credit Union's records. Written notice you provide in accordance with your responsibility to report unauthorized transactions to us will be considered given at the time you mail the notice or deliver it for transmission to us by any other usual means. All other notices from you will be effective when received by the Credit Union at the address specified in this Agreement. We reserve the right to change the terms and conditions upon which EFT services are offered and will provide notice to you in accordance with applicable law. Use of EFT services is subject to existing regulations governing your Credit Union account and any future changes to those regulations.

The following information is a list of safety precautions regarding the use of ATMs and night deposit facilities:

- Be aware of your surroundings, particularly at night.
- Consider having someone accompany you when the ATM or night deposit facility is used after dark.
- Close the entry door of any ATM facility equipped with a door.
- If another person is uncomfortably close to you at the time of your transaction, ask the person to step back before you complete your transaction. If it is after the regular hours of the financial institution and you are using an ATM, do not permit entrance to any person you do not know.
- Refrain from displaying your cash at the ATM or night deposit facility. As soon as your transaction is completed, place your money in your purse or wallet. Count the cash later in the safety of your car or home.
- If you notice anything suspicious at the ATM or night deposit facility, consider using another ATM or night deposit facility or coming back later. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, take your card or deposit envelope, and leave.
- If you are followed after making a transaction, go to the nearest public area where people are located.
- Do not write your personal identification number (PIN) or access code on your ATM card.

- Report all crimes to law enforcement officials immediately. If emergency assistance is needed, call the police from the nearest available public telephone.

11. BILLING ERRORS — In case of errors or questions about electronic fund transfers from your share and share draft accounts or if you need more information about a transfer on the statement or receipt, telephone us at the following number or send us a written notice to the following address as soon as you can. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem appears. Call us at:

(814) 865-7728

or write to:

Penn State Federal Credit Union
123 Amberleigh Ln
Bellefonte, PA 16823-8488
Fax: (814) 863-6183

- Tell us your name and account number.
- Describe the electronic transfer you are unsure about and explain, as clearly as you can, why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error has occurred within ten (10)* business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45** days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10)** business days for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

* If you give notice of an error occurring within 30 days after you make the first deposit to your account, we may take up to 20 business days instead of ten (10) business days to investigate the error.

** If you give notice of an error occurring within 30 days after you make the first deposit to your account, notice of an error involving a point-of-sale (POS) transaction, or notice of an error involving a transaction initiated outside the U.S., its possessions and territories, we may take up to 90 days instead of 45 days to investigate the error. Additionally, for errors occurring within 30 days after you make the first deposit to your account, we may take up to 20 business days instead of ten (10) business days to credit your account.

NOTE: If the error you assert is an unauthorized Visa transaction, other than a cash disbursement at an ATM, we will credit your account within five (5) business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit as described above.

12. TERMINATION OF EFT SERVICES — You may terminate this Agreement or any EFT service under this Agreement at any time by notifying us in writing and stopping your use of your card and any access code. You must return all cards to the Credit Union. You also agree to notify any participating merchants that authority to make bill payment transfers has been revoked. We may also terminate this Agreement at any time by notifying you orally or in writing. If we terminate this Agreement, we may notify any participating merchants making preauthorized debits or credits to any of your accounts that this Agreement has been terminated and that we will not accept any further preauthorized transaction instructions. We may also program our computer not to accept your card or access code for any EFT service. Whether you or the Credit Union terminates this Agreement, the termination shall not affect your obligations under this Agreement for any electronic transactions made prior to termination.

13. GOVERNING LAW — This Agreement is governed by the bylaws of the Credit Union, federal laws and regulations, the laws and regulations of the state of Pennsylvania, and local clearinghouse rules, as amended from time to time. Any disputes regarding this Agreement shall be subject to the jurisdiction of the court of the county in which the Credit Union is located.

14. ENFORCEMENT — You are liable to us for any losses, costs or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any postjudgment collection actions.

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Basic Share, Special Share, Kids Club Share, Teen Club Share, Holiday Club Share, Accumulative IRA Share, Money Market Share, and Premier Checking Share accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. Money Market Share accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

2. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.

5. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Basic Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Thrift Checking Share and Premier Checking Share accounts, there is a minimum daily

balance required to avoid a service fee for the statement period. If the minimum daily balance requirement is not met during each day of the statement period, you will be charged a service fee as stated in the Schedule of Fees and Charges. For Basic Share, Special Share, Kids Club Share, Teen Club Share, Holiday Club Share, Accumulative IRA Share, and Premier Checking Share accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

6. ACCOUNT LIMITATIONS — For Holiday Club Share accounts, the entire balance will be transferred to another account of yours on or after September 30 and the account will remain open. If you withdraw from your Holiday Club Share account, you will be charged a fee as disclosed in the Schedule of Fees and Charges. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Basic Share, Special Share, Kids Club Share, Teen Club Share, Accumulative IRA Share, Money Market Share, Freedom Checking Share, Thrift Checking Share, and Premier Checking Share accounts, no account limitations apply.

7. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fees and Charges for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

8. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.

Par Value of One Share	\$5.00
Number of Shares Required	1

9. RATES — The rates provided in or with the Rate Schedule are accurate as of the effective date indicated on this Truth-in-Savings Disclosure. If you have any questions or require current rate information on your accounts, please call the Credit Union.

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts, the dividend rate and annual percentage yield are fixed and will be in effect for the initial term of the account. For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

2. DIVIDEND PERIOD — For each account, the dividend period is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.

3. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends are stated in the Rate Schedule.

4. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Basic Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For all accounts, dividends are calculated by the daily balance method which applies a daily periodic rate to the principal in the account each day.

5. ACCRUAL OF DIVIDENDS — For Share and Kids and Teen Club Certificates accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.

6. TRANSACTION LIMITATIONS — For all accounts, your ability to make deposits to your account and any limitations on such transactions are stated in the Rate Schedule. After your account is opened, you may make withdrawals subject to the early withdrawal penalties stated below and your account will be closed. Partial withdrawals are not allowed.

7. MATURITY — Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.

8. EARLY WITHDRAWAL PENALTY — We may impose a penalty if you withdraw funds from your account before the maturity date.

a. Amount of Penalty. For all accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

Terms of up to 9 months	90 days' dividends
Terms of greater than 9 months	180 days' dividends

b. How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividends have already been paid, the penalty will be deducted from the principal.

c. Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

- (i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
- (ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age 59½ or becomes disabled.

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION – The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts, the dividend rate and annual percentage yield are fixed and will be in effect for the initial term of the account. For accounts subject to dividend compounding, the annual percentage yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

2. DIVIDEND PERIOD – For each account, the dividend period is the account's term. The dividend period begins on the first day of the term and ends on the maturity date.

3. DIVIDEND COMPOUNDING AND CREDITING – The compounding and crediting frequency of dividends are stated in the Rate Schedule.

4. BALANCE INFORMATION – To open any account, you must deposit or already have on deposit the minimum required share(s) in a Basic Share account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For all accounts, dividends are calculated by the daily balance method which applies a daily periodic rate to the principal in the account each day.

5. ACCRUAL OF DIVIDENDS – For Share and Kids and Teen Club Certificates accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.

6. TRANSACTION LIMITATIONS – For all accounts, your ability to make deposits to your account and any limitations on such transactions are stated in the Rate Schedule. After your account is opened, you may make withdrawals subject to the early withdrawal penalties stated below and your account will be closed. Partial withdrawals are not allowed.

7. ACCOUNT LIMITATIONS – “New Money” means funds that have not been on deposit with Penn State Federal more than seven (7) days before the day of account opening. Penn State Federal reserves the right to limit deposits into these special Certificates. This limited-time offer is subject to change at any time without notice. The 12 month Certificate renews automatically to a

standard 12 month term at the rate in effect at the time of renewal unless instructed otherwise.

8. MATURITY – Your account will mature as stated on this Truth-in-Savings Disclosure or on your Account Receipt or Renewal Notice.

9. EARLY WITHDRAWAL PENALTY – We may impose a penalty if you withdraw funds from your account before the maturity date.

a. Amount of Penalty. For all Certificate accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

- Terms up to 9 months: 90 days' dividends
- Terms of greater than 9 months: 180 days' dividends

b. How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividends have already been paid, the penalty will be deducted from the principal.

c. Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

- (i) When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
- (ii) Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after the establishment of the account; or where the account is a Keogh Plan (Keogh), provided that the depositor forfeits an amount at least equal to the simple dividends earned in the amount withdrawn; or where the account is an IRA or Keogh and the owner attains age 59½ or becomes disabled.

10. RENEWAL POLICY – The renewal policy for your accounts is stated in the Rate Schedule. For accounts that automatically renew for another term, you will not have a grace period after maturity to withdraw funds without being charged an early withdrawal penalty. To avoid a withdrawal penalty, all withdrawals must be made on the maturity date.

11. NONTRANSFERABLE/NONNEGOTIABLE – Your account is nontransferable and nonnegotiable.

12. MEMBERSHIP – As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.
